

## **Bentley Career Success Equity Program**

### **Session #3: Career Success Readiness**

**What:** Please plan to have a 60-minute conversation with your Accountability Partners

**When:** by 1/7/2025

#### **Discussion:**

- 1) What are you doing differently to further align your job with your career vision?
- 2) What more information do you need to clarify your alignment? Research online? Talk to people?
- 3) What are the most important skills or knowledge to develop in the next 12 months? Why?
- 4) What is the role of your manager? How will you approach them (how do you want to position your career growth)?
- 5) What do you need to do in your “own time” to build your career success readiness?

#### **Preparation for Next Session:**

- Please use the last 10 minutes of your meeting for time to reflect on your key takeaways from your discussion. Use this time to reflect and submit your individual responses [here](#).
- Please be ready to share at least one takeaway or question that you have from the Accountability Partner discussion in Session 4.
